APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued with the express provision that it is subject to compliance with state laws, regulations, and ordinances. The applicant must install a standard wier and headgate as provided by statute and such provision is made a part of this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two & 4/10 cubic feet per second.

Actual construction work shall begin on or before May 14th. 1913.

Proof of commencement of work shall be filed before June 14th. 1913.

Work must be prosecuted with reasonable diligence and be completed on or before May 14th. 1914.

Application of water to beneficial use shall be made on or before October 14th. 1917.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 14th. 1917.

WITNESS MY HAND AND SEAL this 14th day of February, 1913.

The time for commencement of work
is hereby extended to June 15th, 1913.
Dated this 6th day of May, 1913.

W. McNamee
State Engineer,

Proof of labor filed JUL - 9, State Engineer.
